

# ADIL is an acronym for **ADULT ISLAMIC LEARNING**

## WHAT IS ADIL ACADEMIC YEAR (AY)?

ADIL is an Islamic learning programme specially tailored for adult Muslim learners in Singapore and is designed to be relevant and suited for our Muslim adults' contemporary spiritual and intellectual needs.

ADIL Academic Year (AY), an extension of the programme, is a two-year programme that covers all ADIL modules. It is a comprehensive Islamic education programme offering continuity and clear pathway for adults to continue pursuing Islamic learning. Classes are typically held weekly and will cover both baseline and intermediate ADIL modules.

## WHY CHOOSE ADIL AY?

ADIL AY is a non-examination-based programme. It is developed to enrich the Islamic learning experience for Muslim adults in Singapore, as it addresses the emerging needs of the community and provides Islamic learning in a structured manner. At the same time, participants would be enrolled in a programme readily available in 2 years and able to have opportunities to interact and engage with asatizah.

The programme is open to Youth aLIVE graduates as well as anyone who wishes to master the foundational knowledge of Islam and revisit their understanding of Islamic knowledge.

# FREQUENTLY ASKED QUESTIONS

## I am just starting to learn the religion, where should I start?

We'd recommend you to begin with Baseline modules as they cover the foundational aspects of Islam. Hence, you may consider AY Centres that offer these modules first.

## What is the difference on the sets of modules?

The only difference is the arrangement of the modules. Ultimately, all the modules will be covered within the span of 2 years.

## How is ADIL AY different from the Centres that offer single modules?

ADIL AY covers all baseline and intermediate in 2 years on a weekly basis. Whereas single modules are short term and will be only offered on an ad hoc basis.

## Why do different AY Centres arrange their modules differently?

The sets are arranged differently to provide you flexibility and options to pick, especially for AY Centres within the same cluster.

## Can I join the programme midway if I missed the registration in January?

Yes you may do so, but do note that you will miss the earlier sessions. Nevertheless, you may still enrol in them when a ADIL Centre offers it separately as a modular class.

## Can I change AY Centres? Or choose to only attend one module?

Yes you may do so. Please refer to your respective AY Centre for more details.

## How will I be notified of my confirmation?

The AY Centre that you have registered will notify you on the confirmation.

## Will I receive a certificate and further my studies with it?

Participants who completed the whole programme will receive a certificate of completion. It is an endorsement of the completion but cannot be used for furthering of studies.

## Are there any refunds for withdrawals?

No, there are no refund for withdrawals as the programme fee is paid monthly and not annually.
